UNION SERVICES BEGIN THIS WEEK

PRESBYTERIAN AND METHODISTS TO WORSHIP TOGETHER

PLAN PATRIOTIC SERVICE

Special Music and Sermon for Next Sunday Night—The Rev. H. A. Neff Here in August.

Presbyterian and Methodist congregations will unite for worship next Sunday at the First Methodist church Dr. O. L. Curl, pastor of the latter church, has been given a leave of absence by his congregation and is taking research work in Chicago and Northwestern Universities. During his absence, the Rev. S. P. Allison of the First Presbyterian church will preach to the joint congregations.

For next Sunday evening plans are being made for a patriotic service, with special musical numbers and a sermon dealing with patriotic duties.

Last Wednesday the Methodist voted to go to the Presbyterian church for the Church Night Service, and beginning this week there will be joint midweek services. This Wednesday the study will be the Epistle of James. The service begins at 8 o'clock.

July 3, 10th, 17th and 24th, combined congregations will worship at the Methodist church, and after that at the Presbyterian Church.

On August 14th, the Rev. Homer A. Neff, of St. Marys, Ohio, will occupy the pulpit. He is the son of Mr. and Mrs. T. M. C. Neff, and has many relatives in this part of the country. He took part of his college work at the State Teachers' College, later going to Muskingum College in Ohio, and to McCormick Theological Seminary in Chicago. He is making good in the ministry according to all reports. His church is prospering, and he has been honored by his colleagues by being elected moderator of his Presbytery.

Dr. Curl's pulpit was filled morning and evening yesterday by Prof. Harry A. Miller of the State Teachers College. At the evening hour he gave a leeture on "Ben Hur," and for more than an hour he was given the closest attention. As a close friend of the author's mother, Professor Miller told many little known facts leading up to the writing of the book, which he characterized as the world's greatest novel, next to "Les Miserables," and the greatest piece of religious literature written by an American.

The Missouri Wesleyan College quartet of Cameron will give a concert at the First Methodist church at 8:30 o'clock Wednesday night. There will be no admission charges but a silver offering will be taken.

MAGGIE ALLEN PRESIDENT OF B. Y. P. ORGANIZATION

Have Election of Officers—Short Program and Supper at Meeting Held Last Night.

Miss Maggie Allen was elected president of the Baptist Young People's Union at the regular meeting held last night at the church. Other officers elected were vice-president, Homer Ogden; secretary and treasurer, Miss Irene Lowry; corresponding secretary, Miss Esther Gile; pianist, Miss Hilda Denny; chorister, Miss Daisy Allen.

Following the election of officers a short program consisting of a piano solo by Miss Eudora Allen, a vocal solo by Miss Hilda Denny and readings by Miss Irene Lowry and Miss Mabel Raines, was given. Sixty young people attended and a supper was an event of the meeting.

Leslie Hagins went to St. Joseph this morning.

RAINFALL IN FOUR DAYS AMOUNTS TO 1.62 INCHES

Rain Comes in Four Installments, Starting With Thursday Night—May Be More.

The rainfall which started last Thursday night amounted to 1.62 inches, according to the official figures of J. R. Brink, weather observer. The first rain was light, amounting to .11 inch. It was followed by a soaking downfall that measured .61 inch. The third was .28 inch and the last one .62 inch.

The prediction for tonight and tomorrow holds out possibility of yet more rain.

12 COUNTIES IN THIS DISTRICT

REDISTRICTING OF STATE FOR 14 OR 16 DISTRICTS.

A NEW JUDICIAL BILL

Elmer's Committee to Assure Republican Control Whatever Allotment Congress Makes.

Jefferson City, June 27.—Representative Elmer, chairman, and other members of the house redistricting committee are working on two congressional redistricting bills. One provides for sixteen districts, as at present, and is based on the assumption that congress will not cut down Missouri's present representation. The other provides for fourteen districts, and is based on the assumption that congress may cut Missouri's representation by two members to prevent an increase in the size of the national house of representatives.

Congress has never cut down the representation of a state and Gov. Hyde expects no reduction at this time.

Elmer and his committee are centering their efforts on the bill to redistrict the state into fourteen districts. By basing the division on the Republican landslide vote last year, when only two Democratic candidates got through in a state supposed to be hopelessly gerrymandered in favor of the Democrats, it is expected that in ordinary years the Republicans will be as certain to elect most of the Missouri delegation in congress, as the Democrats have been in the past.

11 Counties to Nodaway.

According to Elmer's tentative plan, Nodaway county will be included in a district which will include Atchison, Holt, Andrew, Buchanan, Worth, Gentry, DeKalb, Clinton, Harrison, Daviess and Caldwell counties.

Dividing St. Louis.

Elmer's proposed bill for fourteen new districts gives St. Louis City three congressmen and places St. Louis county, (now included in the Tenth District with St. Louis City), in a new district with Jefferson, St. Francois, Ste. Genevieve and Perry counties.

The exact division of the City of St. Louis has not been taken up, but Elmer said all three districts would be safely Republican. The Democrats now control the Eleventh St. Louis District, which is represented by Harry B. Hawes.

Kansas City will be divided so that part of the city will be in each of two districts. One of these, which will include Platte, Clay and Ray counties, Elmer says, will be almost certainly Democratic. The remainder of Kansas City and Jackson county will be joined with Lafayette and Carroll counties in a new district.

New Judicial Bill.

Elmer's committee also worked today on the new judicial redistricting bill, to take the place of the bill held up by referendum. This bill will permit judges now holding office to serve out their terms. This would remove the objections of the Democrats who held up the bill.

Mrs. W. E. Robinson and baby daughter, Susan Ann, of St. Augustine, Flordia are visiting in Maryville at the home of Miss Ruth Matter.

WANTS NAMES OF WORLD WAR DEAD

MEMORIAL AVENUE COMMITTEE ASKS FOR CORRECTIONS

TO CAST TABLETS SOON

Casualty List Must be Checked Before Bronze Plates Are Cast —45 Names Now

Names of the Nodaway County boys who died in the World War are being given a final check this week by the Memorial Avenue committee, which will soon let the contract for the making of the bronze tablets to be placed on the two pillars at the east entrance to the avenue.

Mrs. Charles T. Bell, chairman of the committee, asks that parents and friends look over the list carefully to see that all the names are included and are correct. Unless the committee is notified at once of changes that should be made in spelling or initials, they will appear on the bronze memorial tablets as they will appear on the bronze memorial tablets as they are on the official list.

Half the names will be inscribed on the tablets placed on one of the pillars and the remainder on the other. The tablets will be of the finest statuary bronze. The cost will be about $660. On the pillars at the other end of the avenue of trees will be appropriate inscriptions.

After the contract is let, the names will be engraved and a proof sent to the committee. This proof will be given close scrutiny and the necessary corrections made then. After the tablets are cast, it will be impossible to make changes.

Many of the names on the official list furnished by the Nodaway County Red Cross and the county clerk's office have been found to be incorrect in some way and some corrections have already been made. Other parents may wish to send the full names, instead of using only the initials. Mrs. Bell asks that wherever possible the corrections be sent in typewritten form and that other county papers give names publicity.

There are forty-five names on the list, with every part of the county represented. The official roster as it now stands is as follows:

Leo. T. Ashford.
William James Brady.
Frank C. Bradley.
Walter Lonzo Bradly.
Toney William Bears.
Floyd Virgil Colter.
Chester Martin Crain.
Seth Ray David.
Rolla A. Dicks.
Alvin Marion Dunn.
Wilbur H. Dowis.

TEACHERS COLLEGE HEAD ON WAY TO MARYVILLE

Dispatch From Washington Says Uel W. Lampkin's Resignation There Has Become Effective.

Washington, June 27.—Uel W. Lamkin, director of the federal board for vocational education, resigned from that position today and will return to Maryville, Mo., to take charge of the state Teachers' College in that city. Mr. Lamkin submitted his resignation some time ago, it was said, and asked that it be made effective Saturday. No reason for the resignation was given in the announcement, but it was understood to have been decided upon by Mr. Lamkin as a result of the organization incident to enactment of the Sweet bill, providing for consolidation of all soldier relief facilities.

WILL CELEBRATE 4TH AT THE BAGBY GROVE

Community About Three Miles From Skidmore Is Arranging for a Barbecue and Big Celebration.

The community about three miles east and south of Skidmore are going to hold a Fourth of July celebration in the J. R. Bagby grove which is two miles east of Skidmore and one mile south. An old fashioned barbecue will be had, three beeves having been donated for this occasion.

The speakers of the day are L. C. Gabbert of St. Joseph and Prosecuting Attorney Charles F. McCaffrey. The Clearmont band is to furnish music.

Everybody is cordially invited to attend this celebration. If it should rain on the Fourth, the celebration will be held the next day.

FATHER VISITS MARYVILLE IN SEARCH OF DAUGHTER

15-Year-Old Harrisonville Girl Runs Away With Man, 22—Headed North From Kansas City

Two men were here Saturday from Harrisonville consulting Chief of Police Eph Tilton about the disappearance of a young girl. The girl was the daughter of one of these men and she had run away from home last week with a man. She was only 15 years old he said and the man 22.

Nothing had been heard of the couple but they were headed north and the father has been in all of the towns on a direct route north of Kansas City.

LEADERS AGREE TO IRISH CONFERENCE

"HOUR FOR PEACE IN IRELAND HAS STRUCK."

SUCCESS IS PREDICTED

If Last Effort at Reconciliation Fails, Attempt to Crush Sinn Fein by Force Is Expected.

London, June 27.—It was learned from an authoritative source today that the Irish peace conference will be held. A Central News dispatch announced that the government is reported to have received information from Dublin indicating that De Valera and Craig will both accept the invitation to come to London to confer with British Government.

London, June 27—The "hour for peace in Ireland" has struck, said the Times today, commenting upon Premier Lloyd George's invitation to Eamonn De Valera and Sir James Craig to come to London to discuss an Irish settlement with the British Government.

Virtually all of the papers approve the premier's course.

"The letter was put forward as a final appeal for reconciliation in the spirit of the king's words at Belfast," said the Daily Telegraph.

London, June 27—Between the lines of Lloyd George's written offer to Eamonn De Valera, president of the Irish "republic," to meet him and "any of his colleagues" in an endeavor to solve the Irish problem, political observers believe they find sufficient evidence to indicate that this final attempt of the government to end the strife has more than an even chance of sucess.

It is pointed out that unless there had been previous unofficial interchanges between the premier and the Irish leader, it is doubtful that Lloyd George would have made his offer. It is believed that before dispatching the letter, therefore, the British chief had assured himself that such an offer would have a chance of acceptance. It is noticeable, as well, that De Valera has never at any time intimated directly that he would not be glad to meet Lloyd George.

It is indicated that, if this peace attempt should fail, the government will resort to force, sending insufficient troops to subject the entire troubled district and smash the last vestige of Sinn Fein organization.

For weeks additional forces have been pouring into Ireland, ostensibly as "replacements," but actually as reinforcement. So the government comes to Ireland holding peace in one hand and the sword in the other.

What reception the offer will have is problematical. It will be received by the conservatives as a welcome move. The extremists will counsel rejection, and it is consequently a question of whether conservatives or extremists are in control of the Irish Republican organization.

MEN'S BIBLE CLASS ENTERS FINAL WEEK

CONTEST WITH CLARINA CLOSES NEXT SUNDAY

NEW ATTENDANCE RECORD

Iowans Again Gain on Local Class—Big Patriotic Service Planned As the Climax.

Beaten by their Clarinda rivals on each of the last two Sundays, the Men's Bible Class of the First Christian Church is entering today on a final, last week drive to victory in the inter-city contest, which will end in the vanquished being hosts at a monster banquet.

In distancing the Maryville men by 115 points yesterday morning, the Iowans set a new attendance record of 321. The high record for the Maryville class is 307. For next Sunday, however, they have set a goal of "500 present, 500 on time, 50 new members." This goal will be attained according to the Rev. R. E. Snodgrass. There were 295 men present in the big tent yesterday morning, but only 255 of them were on time. There were 21 new members, bringing the total of points for the day to 887. At Clarinda, there were 321 present, 224 on time, and 58 new members, making a total score for the day of 1,062 and cutting down the Maryville "Sikh's" lead by 115 points.

The total score now stands 5,963 points to 5,348 in favor of Maryville. Members of the class can see nothing to prevent them from holding this lead over the final Sunday and invading Clarinda to be fed. Rumors continue to circulate, however, that the Iowa bunch is holding something back for the final Sunday and it is to avert any possibility of a last minute defeat that the local class is planning a special patriotic service for next Sunday and extending an invitation to every man, able bodied or crippled, who is not attending any other class, to come to the tent Sunday.

The Men' Class had charge of the evening service at the First Christian Church last night. The Men's chorus gave several numbers and the Men's Class orchestra played. There was a talk by the Rev. Mr. Snodgrass, and two reels of moving pictures with the title, "The Church with an Overshot Wheel". A large audience was present at the service. The lower floor was completely filled and many seats taken in the balcony.

Beside's having charge of the patriotic service next Sunday morning, the Men's Class chorus will probably be used at the evening services all during July, giving the regular choir a vacation.

Friday night a big open-air service will be conducted by the members of the class on East First Street. Several speakers, a band and chorus will be taken along. The meeting will start at 7:30 o'clock.

Another meeting will be held in the Courthouse yard at 7:30 o'clock, Saturday evening.

The G. A. R., Veterans of Foreign Wars and American Legion are to be honored guests at the patriotic service at the Sunday School hour next Sunday. Reservations will be made and transportation provided. Theodore G. Robinson and Edward Condon will have this in charge.

Edward Gray, president of the Men's Class, has appointed the following committee to arrange for the service which will be the climax of the campaign:

Rural Boosters Committee: John Deardorf J. J. Knabb, John Yates, John Gates, Wm. Osborn, A. L. Smith, W. M. Moody, Sherman Heflin, James Bailey, Earnest Willhoyte, Arch Willholyte, Tom Young, Frank Hall, Alvin Treublood, Earl Trullinger, A. R. Robinson, John Griffey, Eugene Lyle, Frank Holt, Lloyd Martin, Dale Bellows.

City Booster Committee: Dick Strong, Fred Miller, Fred Newlon, S. M. Stanley, Ellis Cook, Mose A. Hahn Chas. Wilson, Bud Rhodes, Jeff Monroe, Martin Lewis, Jr.

Executive Committee—R. E. Snodgrass, teacher; Edw. W. Gray, president; A. L. Nash, vice president; Harry E. Lyle, sec'y; Frank Wallace, treasurer.

Patriotic Decorating Committee—W. J. Lininger, Ralph Palmer, Theo. G. Robinson, Edward Condon.

Advertising and Sign Committee—Joe Weaver, M. A. Hahn, Otto Frazee, Martin Lewis, Jr., Edw. W. Gray.

National Chamber of Commerce Demands Government Consider Reduction of Arament

Tokio, June 27.—Simultaneously with action of the Japanese Chamber of Commerce adopting resolutions calling upon the government to take up the question of the reduction of armaments, an announcement was made by the war office that the next budget of the army will represent a cut of three million yen, above a million and a half dollars, from the total of the last army budget.

NIGHT PROWLER IS REPORTED AT WORK

FRIGHTENS FAMILIES LIVING ON EAST FIRST STREET

MAYOR ISSUES WARNING

J. S. Highbarger Sees Man, Tall and Heavy Set—Mrs. John Shonley Sees Only His Hand

Reports of a night prowler who attempts to gain entrance to Maryville homes were received by the police from two more families last night and Saturday night.

At the home of J. S. Highbarger, 417 East First street, footsteps were heard on the back porch about midnight Saturday. When Mr. Highbarger got up from bed and called Night Policeman Ed Wallace, the man ran. He was tall and heavy set, according to the description furnished by members of the family.

About 10:30 o'clock last night Mrs. John Shonley, living at 422 East First street opposite the Highbarger home, was frightened by hearing noices at the kitchen door. She and her sister-in-law went into the kitchen and saw someone trying to unfasten the door. They immediately called the police, but the robber evidently heard them and ran away.

Mrs. Shonley said, "I don't know how many of them there were. All that I saw was a hand feeling over the glass door. Then I went to the phone and called the police."

A number of other reports have been received from residence sections in the eastern part of town of similar actions. The police are inclined to believe that it is not the same person who was frightened from the E. W. Keck home after looting the house or who tried to enter the James F. Colby home. They consider it more likely that the guilty person is a "peeping Tom" who is trying to frighten people of the neighborhood on East First Street.

"Someone is going to get shot down there if he doesn't look out," was all Mayor F. P. Robinson had to say about the city's stand.

DOCTOR'S TESTIMONY STRICKEN FROM RECORD.

Yonkers, N. Y., June 2.—Mrs. Fifi Stillman today won the greatest victory recorded in her counter action against her husband's suit for divorce when testimony given by Dr. Russell, Buffalo osteopath, was ordered stricken from the record by Referee Gleason.

Examination for Parnell.

According to a dispatch from Washington, examinations for postmasters have been ordered in many Missouri communities. Parnell is included in the list. Notice will be given later when the examination will be held.

A marriage license was issued late Saturday to Lawrence M. Charles and Mary A. Freece of Skidmore.

HEIFNER INSISTS RATES ARE HIGH

SAYS INSURANCE MEN EVADED ISSUE ON VISIT HERE

CHARGES DISCRIMINATION

Figures He Cites Show Heavier Charges on Maryville Property Than in Other County Towns

J. J. Heifner, who was called out of the city at the time of the recent visit of representatives of the Missouri Inspection Bureau, insists that insurance rates in Maryville are higher proportionately than rates in other towns in the county. In the following communication he cites figures to prove his contention:

"Editor the Democrat-Forum: I notice that some parties for the Missouri Actuarial Bureau, have visited Maryville, and notice in particular what J. O. Gill, one of the experts, has to say in regard to the insurance rates in Maryville, compared with other towns in the county.

"Mr. Gill is quoted as saying that Maryville, has a good or better rates on the same kind of buildings or property as other towns in the country. He does not observe very closely his own rate books or he would not try to make us believe that Maryville is not discriminated against in rate making.

"In picking out comparisons I notice that bank buildings are about as uniform as any other kind of business, for they represent the progress of the community in which they are located.

"To begin with, the Nodaway Valley Bank, of Maryville pays the highest rate of any bank building in Nodaway county. The rate is 2.09. The Real Estate Bank pays the second highest rate. The First National Bank pays as high a rate as the Farmers Bank in Parnell, and 36 cents less than the bank at Quitman.

"The Farmers Trust Company, one of the best bank buildings in the state, has a rate only four cents less than the Bank of Conception Junction, 22 cents less than the Jackson Bank at Clearmont, and 25 cents less than the Farmers Bank of Ravenwood.

"The Nodaway Valley Bank pays four times the rate paid by the Bank at Conception Junction, over three times the rate as the banks at Clearmont, Burlington Junction, Barnard and Guilford, over one and a half times the rate as the Bank of Quitman, and yet Maryville is not discriminated against.

"Take the public school buildings of the county and they show a like discrimination.

"The State Teachers' College Main Building is rated at $1.31. The Washington High School is rated at $1.21. Jefferson ward school at 95 cents and the Franklin 79. The public School building at Barnard has a rate of 75 cents, Parnell, 75 cents, Burlington Junction, 75 cents, Elmo 73 cents, Pickering, 85 cents, Ravenwood, $1.09, Quitman, $1.00, Conceptio n Junction, 90, Hopkins $1.05 Guilford (frame) $1.05. Clearmont (frame) $1.55. Is it not strange that a frame, shingle-roof building in Guilford can get a 26 cent better rate than the brick, slate roof, solid floors,

building, built by the State of Missouri, in Maryville? Is it not more strange that there is a 16 cent better rate on the frame public school building in Guilford, than on the Washington High School Building in Maryville?

"Every public school building in Nodaway county has a better rate than the Washington High School, except one frame structure in Clearmont.

"We can go down the line and prove that the business men of Maryville are paying from fifty to one hundred per cent more for the same kind of protection than is being paid by their competitors in the neighboring towns in the county, and yet they say there is no discrimination.

"You ask, can this condition be corrected? Yes if you have the courage to fight. You cannot win with soft-pillow campaign. You will have to show the Bureau, and the Insurance Commissioner where your rates are unjust compared to other towns and places.

"Under the operation of the Actuarial rules you can be either guilty or not guilty. In 1912 the Nodaway Valley Bank had a rate of $1.36. At that time they had several of their rooms heated with stoves. They had some defective wiring. Maryville did not have an up-to-date water system. Later the stoves were removed and steam heat was installed. New wiring took the place of the old. The taxpayers voted $50,000 to improve the water system. Result. An additional rate of 73 cents was added to the Bank in all probability to make them feel good.

"As I say, you can comply with all their requests and there are greater ones ahead, and there can be excuse why this bank should be penalized, but nothing but excuses, however.

"Under the Dean schedule, there are a lot of excuses why you can be penalized, but very few whereby you can get relief. The Dean schedule is about as intelligible to an ordinary policy holder, as would be the hieroglyphics on the tomb of Caesar.

"I am giving you this so you may know that what I told you in the beginning was true, that some of the rates imposed upon you were an outrage, and it is within your power to correct them providing you are willing to make the effort.

"KING JAMES III" WEIGHS SIX POUNDS, SAYS BULLETIN

Son of Mr. and Mrs. Clarence Edward Cook Is Believer in Advertising Like His Dad.

Friends of Mr. and Mrs. Clarence Edward Cook have received during the past week special "Bulletin Service" from the Kansas City Kansan with the admonition "Read and File for Reference." On a yellow sheet of paper representing in miniature one of the daily issues for which Mr. Cook is an advertising solicitor is inset the following notice:

Announcing King James III.

The entire advertising staff of The Kansan stood amazed yesterday at the superhuman energy, courtesy and devotion to duty displayed by "Doc" Cook, an advertising solicitor who but a few days before had been nervous absented-minded and apparently threatened with spring fever.

The department was especially alarmed by the paternal familiarity Cook lavished upon the newsies. He is even reported to have shelled out as many as seven pennies in one handful and told the younger generation to go blow itself. The grin, or smile, which involuntarily reaches only from ear to ear was nearly doubled in length. He appeared to be suffering from an impulse to tell something, but did not dare. The boys get together and agreed that his conscience was killing him. Manager Bartlett even considered sending for a brain specialist. Then the cause was discovered.

The cause was discovered in Bethany hospital and weighed six pounds. The name of the cause is James Edward Cook. It was a remarkable phenomenon, observed by all the nurses, that he began to advertise for what he wanted before he was three hours old.

Mrs. Cook was formerly Miss Elfrieda Linville, daughter of Mr. and Mrs. J. T. Linville. Mr. and Mrs. James F. Cook are the other grandparents of "King James III."

WOODROW WILSON ADMITTED TO LAW PRACTICE IN WASHINGTON.

Washington, June 27. — Woodrow Wilson appeared in person Saturday in the chambers of Chief Justice McCoy of the District of Columbia supreme court to be admitted to the practice of law before that court.

Court attendants said the former president appeared in better health than when he retired from the White House, although he still had the assistance of an attendant in entering and leaving his motor car. During the brief ceremonies, Mr. Wilson stood leaning on his cane. He also seemed to depend much on it when walking.

Mr. Wilson shook hands with members of the court and bar and court attaches.

PRODUCE MARKET LETTER

(Prepared by Swift and Co., Chicago)

A liberal supply of butter has been received on the leading markets and prices have shown some decline toward the end of the week. A good deal of under-scoring butter has been received on the markets during the week, indicating that better care of cream in the country is necessary.

Continued high temperatures throughout the producing sections have affected the quality of eggs marketed, although there is a little easier feeling at the close of the week.

The volume of live poultry moving during the week has not been sufficient for current consumption and some advance has been noted in both consuming and producing territory. An increase in the supply of broilers and fryers has been noted and these classes of pultry are bringing good prices.

Visiting at Craig.

BIG CROWD SEES WILCOX LOSE TO CLEARMONT, 8-3

Rain Prevents Opening Game of Maryville Athletic Club—Creston Men Play with Wilcox

Rain made it impossible for the stockyards team of St. Joseph to get to Maryville yesterday to represent the Maryville Athletic Club in a baseball game with Creston. The postponement was a disappointment, as many fans had planned to be present at the openning game.

With no game here, Wilcox became the center of attraction. Clearmont won from the team there by a score of 8 to 3. The game was fast from start to finish and it was estimated that it was witnessed by 600 persons. Several players of the Creston team played with Wilcox, and there were several Maryville stars in the Wilcox line-up.

Clearmont was reported to have paid its battery, composed of the Clark brothers, $150 for the one game "Lefty" Clark is a twirler well known in this vicinity, and he pitched a good game. The Wilcox battery was composed of Hupp of Creston and Tobin of Maryville. Hupp had good success in the first few innings but was unable to fool the Clearmont batters in the later stages. Paul Buhler and Brennan were other Maryville men in the game.

The best hitting on either team was done by Tobin, who hit safely four times out of five and drove in two runs. One of his hits was a three bagger.

The first scoring of the game was done in the second inning when Tobin doubled over second and brought in Buhler. In the third, Clearmont tied the score and in the fourth they connected with the Wilcox pitcher and piled up three more runs. Again in the sixth and eighth they ran in two more, making the total eight runs.

In the eighth frame, Wilcox scored two runs making their total three. In the ninth there was no scoring, and the game ended with the score 8-3 in favor of Clearmont.

Enroute to California visit Yellowstone and Lake Tahoe-

1 tour 1000 thrills

Yellowstone National Park is a pot pouri of nature's marvels. Here the very elements play extraordinary pranks, and geysers, boiling springs, mud volcanoes and other stupendous and fantastic effects are the result.

Yellowstone and Lake Tahoe are easily accessible from the main line of the Union Pacific-Southern Pacific Lines to California.

Lake Tahoe, over a mile up, is the gem of the high Sierra. Its opalescent waters, thousands of feet deep, are majestically guarded by encircling peaks, pine clad and snow capped. 100 lesser mountain lakes in the same region.

AVIATORS START NON-STOP TRANSCONTINENTAL FLIGHT

Wealthy Sportsman Hops Off in Huge Biplane After Delay of Almost a Week.

Riverside, Cal., June 27.—David Davis, wealthy young California sportsman, together with Eric Springer, pilot today began what they plan to be a non-stop flight from California to New York. They left March Field today in a "Davis Transcontinental," a huge biplane of the tractor type. They hope to land at Mineola within thirty hours of actual flying.

The weather conditions were perfect and the start was made under excellent conditions. They had planned to start their flight last Wednesday, but fogs and mechanical conditions prevented the "hop off" until today.

MEN'S BIBLE CLASS CONDUCTS MEETING AT BURLINGTON JCT.

Members of the Men's Bible Class of the First Christian church made the second of a number of visits to county towns yesterday, when they conducted a service at the Christian church at Burlington Junction in the interest of the evangelistic campaign to be conducted this fall.

Talks were made by the Rev. R. E. Snodgrass, W. E. Goforth and the Rev. D. B. Warren. The revival meetings at Burlington Junction will be held in October and will be conducted by the Rev. O. E. Hamilton.

The men who made the trip were as follows: The Rev. Mr. Snodgrass, Ernest Lunsford, W. E. Goforth, Ira Neal, Jesse Douglas, Harry Lyle, Frank Reavis, Dr. W. J. Lininger, George Bedford, Prof. E. W. Glenn, Hal Catterson, Ernest Moore, Martin Lewis, Ed Gray, Martin Penisten and Charles Elmore. Mrs. Reavis, Mrs. Gray and Miss Mary Margaret Richey were also in the party.

Aubrey Cushman of Bethany, Mo., came to Maryville last night to visit his brother, H. B. Cushman, and Mrs. Cushman.

Miss Cora Hartley of Bolckow spent the week end in Maryville visiting at the home of Mr. and Mrs. George Hartley.

MEMBER OF MISSING SHIP'S CREW HAS RELATIVES HERE

O. P. and S. E. Fisher Are Great Uncles of Youth Who Sailed on Naval Tug, Contestoga.

O. P. Fisher and S. E. Fisher of Maryville are great uncles of Benson C. Williams, son of Roland E. Williams of Chicago and a second petty officer of the naval tug, Conestoga, which has been missing on the Pacific Ocean since March 25. Miss Jessie Fisher, an employee of the Farmers Trust Company, was a guest at the Williams home in Chicago at the time of the young man's enlistment in the navy three years ago. Members of the family have also visited in Maryville.

The following is aken from a recent issue of a Chicago paper:

"Benson C. Williams, son of Roland E. Williams, 7623 Eggleston avenue, is second petty officer of the naval tug, Conestoga, which has been missing on the Pacific ocean since March 25. The Conestoga sailed from Mare island for Samoa by way of Pearl harbor and, although the Pacific fleet has been searching, nothing has since been heard of it.

Secretary Denby says he still holds hope that the tug and its crew are safe. Mr. Williams feels the same way.

"The suspense is awful," he said. "If we only knew Benson's fate it wouldn't be so bad. I fell sure however, that everything will turn out all right. From what the navy department has told us it may easily be that the boy is on some coral island."

HOWAT TRIAL OPENS WITH BUT FEW MINERS PRESENT.

Columbus, Kan., June 27.—The Howat trial opened today as scheduled but minus the crowds. The miners about Columbus failed to obey the call "to action" sounded by Mr. Freeman, the youthful president of the state federation of labor. When the court opened less than three hundred miners were on the court house square. Over 5,000 had been expected.

"There'll be more tomorrow after the jury is picked," said Freeman, who arrived from Denver on an early morning train.

Attorneys expressed the belief it would take two days or more to secure the jury. The particular charge on which Howat and Dorchy now face the court involves the calling a strike at Mackie mine north of Columbus. This trial will be a real test for the Kansas Industrial Court. Howat will be represented by an array of legal talent headed by Frank P. Walsh and Phil Callory.

Pinched Tubes

Michelin perfect-fitting tubes minimize pinching.

Every motorist is familiar with the danger of pinching inner tubes between the bead and the rim when fitting straight tubes in round casings. You really can't fit a square peg in a round hole.

Michelin Tubes, however, are circular or ring-shaped like the casing itself, so they fit easily and naturally and there is little danger of pinching.

Yet Michelin Tubes cost no more than ordinary makes. Let us quote you on these superior tubes.

MARYVILLE GUN CLUB TO HAVE A HANDICAP SHOOT

Beginners Will be Placed on Equal Footing With Experts in Contest for Prizes.

The Maryville Gun Club is arranging for a handicap event for the next six Sundays to consist of 150 targets of 25 targets each Sunday. The entrance fee will be $3.50 which will also include the cost of the targets and prizes.

Three trophies will be given away. The first prize will be a Stanley Ferrostat vacuum bottle, the second a hunting coat and the third a brass gun cleaning outfit. The contest will be open to all who wish to enter, whether or not they are members of the club. Fifteen entries have already been received.

In a handicap shoot, the poorer marksmen are placed on an equal footing with more experienced shooters. The average scores for the season are averaged and his handicap based on the result. For instance, if an entrant has an average for the season of fifteen targets broken out of twenty-five, he will be given a handicap of ten to start with. For those who have not been shooting regularly, there will be tryouts on which to base the handicaps.

Those who do not wish to shoot on Sunday afternoons may report at 6 o'clock on Thursday evening. The contest will end in six weeks.

INSANE CONVICTS ESCAPE FROM ASYLUM AT FULTON

Murderer Is Among Five Criminals Now at Large—Recently Taken From Penitentiary.

Fulton, Mo., June 27— Dr. Biggs, superintendent of the Fulton State Hospital whose seven insane patients escaped early Sunday morning, declared today that he expected the former inmates to start a reign of crime which would terrorize the communities they visit before they are recaptured. Five out of the seven patients are former convicts from the state penitentiary.

Jefferson City, Mo., June 27.—One of the most inoffensive of the escaped men was recaptured early today at his home at Madison. The men made their get away through a poorly constructed wall and then slid three stories to the ground.

Jefferson City, June 27.—Five insane convicts from the state penitentiary escaped Saturday night from the state asylum at Fulton. A sixth convict was captured before getting away. Those who escaped: Thomas Kelley, serving fifteen years from Jackson county for robbery; Waldo Ely, serving a life term from Jackson county for murder; G. W. Bell, four years for bigamy, from Jasper county; Charles Kopucus, five years, from St. Louis, for robbery; John W. Neeley, ten years, from St. Louis, for forgery.

Ely, who began serving his sentence in 1917, was taken to the asylum last November. The other four were taken to Fulton May 24. Kelley was received at the penitentiary April 20, 1920.

All the escaped convicts had been adjudged insane by the penitentiary physician. The four taken to the asylum last had been in the prison observation ward several months. The only doubt was on the mental condition of Bell.

Neeley was formerly a foreman employed at the penitentiary. He was received last February after being convicted of forging a check for $10,000.

Card of Thanks.

I wish to take this means to thank my many kind neighbors in the Orrsburg neighborhood, who so kindly came and laid by my corn during my sickness.

A Sensational Reduction

IN THE PRICE OF

Kramer's Rebuilt Tires

Reductions in the price of materials enable us to quote these extremely low prices.

KRAMER'S REBUILT TIRES are known and used throughout Nodaway county. They are today, as they have been for more than four years, the most economical tire to use from every standpoint.

The first cost is VERY LOW and THEY COST LESS PER MILE OF SERVICE. Stone bruises and punctures are practically eliminated because of the extra thickness of the carcass and tread.
